

MUDDY CREEK CO-OP MEMBERSHIP APPLICATION

The Muddy Creek Chapter of Trout Unlimited, along with the Pennsylvania Fish and Boat Commission, is raising up to 7,000 trout to stock in Muddy Creek each year. The Co-op Nursery is located on Tom's Run, a tributary of Muddy Creek, where a 100-foot long raceway, using 24 hour aeration system and self feeders, permits us to raise these fish.

We believe anglers choosing to fish Muddy Creek deserve to fish for quality fish. But this does not come free. The Muddy Creek Co-op Membership was formed to meet our feed, nursery supplies and electric needs. Your membership can help to ensure that each season Muddy Creek and tributaries will be stocked with fish in addition to the PF&BC annual stockings.

With your membership to the Co-op, you will receive a membership card, our newsletter and a warm invitation to join fellow members during monthly meetings, feeding the fish, club trout stockings, outings and other club activities.

Membership runs from January 1 through December 31st each year.

Membership Dues are only **\$20.00**

Please take time to fill out the membership application below and send it in with your dues to:
